

CoVid Guidelines for Summer Art Camps

We have taken steps to create a safe environment for Summer Camps 2021, please see the list of safety and health procedures below.

All summer camps are held at our new location, 5080 Delmar Boulevard. Please use the front entrance to be met and greeted by a Craft Alliance camp coordinator for daily camper screening and forehead temperature checks.

- Summer Camps 2021 are limited in capacity to accommodate appropriate health and safety procedures. Maximum capacity is 4-6 campers per camp and one instructor assigned to each studio classroom.
- There is NOT a lunch period for 2021 Summer Camps.
- Snack and water breaks will be led in separate 6' spaces for each camper in the main corridor and/or the outdoor activity area
- Face masks are required of everyone upon entering the premises; staff, campers, students, and guests.
- Studio Classrooms are set up to accommodate social distancing at all times during your campers day.
- Each camp has a scheduled hand washing break led by the instructors upon the hour!
- We follow daily cleaning and disinfecting practices, high touch surfaces are wiped frequently with approved cleaners and a routine cleaning service tends to the building.
- Parents will be asked screening questions upon registration for summer camps.
- Parents or guardians will be asked to stay for camper drop off for camper screening and temperature checks by Craft Alliance staff.
- Sharing of tools is discouraged, campers will have separate tool bins for each camp. Disinfectant wipes are made available for cleaning tools after use by camp instructors and staff.
- Campers exhibiting symptoms or with a temperature over 100°F will wait in a designated health room until their family member can pick them up safely from Craft Alliance.

Our policies are following recommended CDC guidelines and are clearly posted in the studio classrooms and on our website.

If you're a current student and received a positive COVID-19 diagnosis: Please call our Director of Education, Andrea Moon at 314.725.1177 ext. 331.

If you have concerns you might have been exposed to COVID-19: Please use your best judgment based on our screening questions before arriving to Craft Alliance Summer Camps.

If Craft Alliance receives notification that someone in your camp have tested positive: You will receive an email for further information.
