Who teaches the art camps? All of the camp instructors have college degrees and are practicing artists. The campers work with the same instructors who teach in our adult, children's, and community programs, and use the same studios and equipment as the adult classes. Craft Alliance also has a summer teen intern program where teens ages 15 to 18 assist the instructors in the materials preparation, clean-up, and camp activities.

What is the teacher/student ratio? The camp sizes are small – a maximum of 8 campers in the glass, graphics, and metals classes, and in the 4 to 6 age range. A maximum of 10 campers are allowed in the clay and fiber classes. Ratio of instructor to camper is 1:10 and 1:8. Including the teen intern assistants, the ratio is 1:5 and 1:4.

What food should the campers bring? Each camper should bring a snack for the half day camps. Campers staying all day, (taking a morning and afternoon camp,) should bring a lunch, a drink, and two snacks. We do not have refrigeration available so please pack lunches in an insulated lunch bag. Drinking fountains are on each floor.

Each 3 hour camp session has a 10 to 15 minute break in the middle. Weather permitting, the campers go outside with the instructors and play games, eat their snacks and get some exercise.

If a camp is full, can I be called if there is a cancellation? There are waiting lists for camps and the registrar will contact you if a space becomes available.

Can my child take home the work they make? Yes, they will have projects to take home almost every day. However, final clay pieces need to dry and be fired and will be ready to be picked up two weeks after the last day of your child's camp. Craft Alliance cannot be responsible for any work left in the studios after September 14, 2018.

What is your discipline policy? On occasion, a child has difficulty interacting with other campers. The first step is a time-out with the camp Director or other supervisory staff member. If the situation is repeated, we call the parent or guardian. Craft Alliance reserves the right to refuse continued enrollment to disruptive students.

Craft Alliance has an Anti-Bullying policy and reserves the right to refuse continued enrollment to students who bully other children. After the first serious offence, parents will be notified. Upon the second intervention, parents will be notified by phone and asked to pick up their child. No refunds will be given.
